

## OUR VISIONS AND VALUES

White Label Consultants is a Croydon based Marketing, Events, PR and Management Consultancy which brings together a team of like-minded, highly skilled individuals who are passionate, results driven and believe in 'making things happen' for the organisations they represent.

We understand that our family-friendly, community-minded and environmental values underpin our staff's ability to deliver first-rate customer service to our clients.

Entirely female-owned, with more than half its staff made up of 'working mums', White Label Consultants is proud to be able to make a contribution to the communities within which it lives and works by supporting a range of charitable and voluntary organisations as well as committing to reduce our carbon footprint year on year.

### What do we believe in?

- partnership working
- getting results
- making things happen
- doing what we say we are going to do
- being honest and open
- going the extra mile to deliver value
- working hard
- having fun
